AllianceBernstein Announces September 30, 2014 Assets Under Management

New York, NY, October 10, 2014 – AllianceBernstein L.P. and AllianceBernstein Holding L.P. (NYSE: AB) today announced that preliminary assets under management decreased to \$473 billion during September 2014 from \$486 billion at the end of August. The vast majority of the 2.7% decrease was attributable to market depreciation, including the negative impact of foreign exchange movements, though total net outflows during the month contributed as well. By channel, net flows were negative for Retail and Institutions and positive for Private Client.
