AB Announces April 30, 2020 Assets Under Management

New York, NY, May 11, 2020 - AllianceBernstein L.P. (“AB”) and AllianceBernstein Holding L.P. (“AB Holding”) (NYSE: AB) today announced that preliminary assets under management increased to \$576 billion during April 2020 from \$542 billion at the end of March. The 6.3% increase was due to market appreciation, as well as firmwide net inflows. By channel, Retail and Institutions experienced positive net flows, while Private Wealth experienced outflows. April month-end AUM also reflected \$0.3 billion in outflows resulting from AXA S.A.’s redemption of certain low-fee fixed income mandates. Through April, these redemptions amounted to approximately \$1.3 billion of the total expected redemptions of \$14 billion.

Cautions Regarding Forward-Looking Statements

Certain statements provided by management in this news release are “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements are subject to risks, uncertainties and other factors that could cause actual results to differ materially from future results expressed or implied by such forward-looking statements. The most significant of these factors include, but are not limited to, the following: the performance of financial markets, the investment performance of sponsored investment products and separately-managed accounts, general economic conditions, industry trends, future acquisitions, integration of acquired companies, competitive conditions, and government regulations, including changes in tax regulations and rates and the manner in which the earnings of publicly-traded partnerships are taxed. AB cautions readers to carefully consider such factors. Further, such forward-looking statements speak only as of the date on which such statements are made; AB undertakes no obligation to update any forward-looking statements to reflect events or circumstances after the date of such statements. For further information regarding these forward-looking statements and the factors that could cause actual results to differ, see “Risk Factors” and “Cautions Regarding Forward-Looking Statements” in AB’s Form 10-K for the year ended December 31, 2019 or Form 10-Q for the quarter ended March 31, 2020. Any or all of the forward-looking statements made in this news release, Form 10-K, Form 10-Q, other documents AB files with or furnishes to the SEC and any other public statements issued by AB, may turn out to be wrong. It is important to remember that other factors besides those listed in “Risk Factors” and “Cautions Regarding Forward-Looking Statements”, and those listed above, could also adversely affect AB’s financial condition, results of operations and business prospects.
