Private Wealth Management

Strategic Advantages

- + Custom wealth strategies—a proprietary "core and excess" capital model helps tailor each client's asset allocation based on specific investment objectives
- + Integrated implementation—clients benefit from best-in-class investment services that are even more effective when implemented together with integrated risk and tax management
- + Investment discipline—our goal-oriented approach helps clients focus on long-term objectives with confidence and avoid pitfalls associated with poor timing, over-diversification, and layers of fees

Ongoing Initiatives

- + Improve our clients' risk-return experience through ongoing portfolio enhancements that seek to diversify alpha and beta sources, reduce volatility and manage risk in their portfolios
- + Leverage our global footprint and research-driven insights to meet the growing demand for concentrated and capacity-constrained investments
- + Ensure our advice model is consistent across our client base but delivered in a way that is highly customized to each client's goals and service expectations

Bernstein Research Services

Strategic Advantages

- + Best-in-class, highly differentiated investment research
- + Highly regarded trading capabilities including best-in-class electronic trading
- + Only independent firm with a global platform

Initiatives

- + Continue to expand global footprint, particularly in Asia
- + Build out macro research offering
- + Increase cross-sell of global and electronic trading capabilities
