PROPOSAL ONE

ELECTION OF DIRECTORS

Under the Funds' respective Charters and Bylaws, the Board has been divided into three classes of Directors serving staggered terms of three years. Generally, one class of Directors is nominated each year by the Board for election by the Fund's stockholders. For all of the Funds, the terms of Class Three Directors will expire as of the Meeting, the terms of Class One Directors will expire as of the annual meeting of stockholders to be held in 2016, and the terms of Class Two Directors will expire as of the annual meeting of stockholders to be held in 2017. Upon expiration of the terms of the Directors of each class as set forth above, their successors in that class will be elected to serve for a term of three years and until their successors are duly elected and qualify.

Under this classified Board structure, it would require two years of annual meeting elections to change a majority of the Board of Directors of a Fund, although Maryland law provides that stockholders may remove Directors under certain circumstances, even if such Directors are not then standing for re-election. This classified Board structure, which may be regarded as an "anti-takeover" provision, may make it more difficult for a Fund's stockholders to change the majority of Directors of the Fund and, thus, have the effect of maintaining the continuity of management.

At the Meeting, the holders of each series of preferred stock of ANMIF, ACMIF and ANYMIF (the "Preferred Stockholders") will have equal voting rights with the holders of the common stock of ANMIF, ACMIF and ANYMIF (*i.e.*, one vote per share), respectively, and will vote together with the holders of the common stock as a single class on proposals that may be properly presented at the Meeting applicable to their respective Funds, as described below. The Preferred Stockholders, voting separately as a class, have the right to elect two Directors of their Fund ("Preferred Directors"). The Preferred Directors are John H. Dobkin and Michael J. Downey and each is a member of Class One of ANMIF, ACMIF and ANYMIF. While the Preferred Stockholders have the right to elect the Preferred Directors, they are not standing for election at the Meeting because the terms of the Class One Directors do not expire until 2016.

At the Meeting, Marshall C. Turner, Jr., Garry L. Moody and Earl D. Weiner are standing for election as Class Three Directors of each Fund. Each nominee has consented to serve as a Director. The Board knows of no reason why any of the nominees will be unable to serve, but in the event any nominee is unable to serve, or for good cause will not serve, the proxies received indicating a vote in favor of such nominee will be voted for such substitute nominee as the Board may recommend.

The affirmative vote of a majority of the votes entitled to be cast by common and preferred stockholders voting together as a single class is required to elect a Director. It is the intention of the persons named in the enclosed proxy to vote in favor of the election of each of the nominees.

Certain information concerning the Funds' Directors and the nominees is set forth below.

The business and affairs of the Funds are managed under the direction of the Board. Directors who are not "interested persons" of the Funds as defined in the 1940 Act, are referred to as "Independent Directors," and the Director who is an "interested person" of the Funds is referred to as an "Interested Director." Certain information concerning each Director and the Funds' governance structure is set forth below.

Experience, Skills, Attributes and Qualifications of the Funds' Directors. The Governance and Nominating Committee of the Board, which is composed of Independent Directors, reviews the experience, qualifications, attributes and skills of potential candidates for nomination or election by the Board, and conducts a similar review in connection with the proposed nomination of current Directors for reelection by stockholders at any annual or special meeting of stockholders. In evaluating a candidate for nomination or election as a Director, the Governance and Nominating Committee takes into account the contribution that the candidate would be expected to make to the diverse mix of experience, qualifications, attributes and skills that the Governance and Nominating Committee believes contributes to good governance for the Fund. Additional information concerning the Governance and Nominating Committee's consideration of nominees appears in the description of the Committee below.

The Board believes that, collectively, the Directors have balanced and diverse experience, qualifications, attributes and skills, which allow the Board to operate effectively in governing the Funds and protecting the interests of stockholders. The Board has concluded that, based on each Director's experience, qualifications, attributes and skills on an individual basis and in combination with those of the other Directors, each Director is qualified and should continue to serve as such.

In determining that a particular Director was and continues to be qualified to serve as a Director, the Board has considered a variety of criteria, none of which, in isolation, was controlling. In addition, the Board has taken into account the actual service and commitment of each Director during his or her tenure (including the Director's commitment and participation in Board and committee meetings, as well as his or her current and prior leadership of standing and ad hoc committees) in concluding that each should continue to serve as a Director. Additional information about the specific experience, skills, attributes and qualifications of each Director, which in each case led to the Board's conclusion that the Director should serve (or continue to serve) as a Director, is provided in the table above and in the next paragraph.

Among other attributes and qualifications common to all Directors are their ability to review critically, evaluate, question and discuss information provided to them (including information requested by the Directors), to interact effectively with the Adviser, other service providers, counsel and the Fund's independent registered public accounting firm, and to exercise effective business judgment in the performance of their duties as Directors. In addition to his or her service as a Director of the Fund and other AB Funds as noted in the table above: Mr. Dobkin has experience as an executive of a number of organizations and served as Chairman of the Audit Committees of many of the AB Funds from 2001 to 2008; Mr. Downey has experience in the investment advisory business including as Chairman and Chief Executive Officer of a large fund complex and as director of a number of non-AB funds and as Chairman of a non-AB closed-end fund; Mr. Foulk has experience in the investment advisory and securities businesses, including as Deputy Comptroller and Chief Investment Officer of the State of New York (where his responsibilities included bond issuances, cash management and oversight of the New York Common Retirement Fund), served as Chairman of the Independent Directors Committees from 2003 until early February 2014, served as Chairman of the AB Funds from 2003 through December 2013, and is active in a number of mutual fund related organizations and committees; Mr. Guzy has experience as a corporate director including as Chairman of a public company and Chairman of the Finance Committee of a large public technology company; Ms. Jacklin has experience as a financial services regulator, as U.S. Executive Director of the International Monetary Fund (which is responsible for ensuring the stability of the international monetary system), as a financial services lawyer in private practice, and as Chairman of the Governance and Nominating Committees of the AB Funds since August 2014; Mr. Keith has experience as an executive of the Adviser with responsibility for, among other things, the AB Funds; Mr. Moody has experience as a certified public accountant including experience as Vice Chairman and U.S. and Global Investment Management Practice Partner for a major accounting firm, is a member of both the governing council of an organization of independent directors of mutual funds, and the Trustee Advisory Board of BoardIQ, a biweekly publication focused on issues and news affecting directors of mutual funds, and has served as a director or trustee

and Chairman of the Audit Committees of the AB Funds since 2008; Mr. Turner has experience as a director (including as Chairman and Chief Executive officer of a number of companies) and as a venture capital investor including prior service as general partner of three institutional venture capital partnerships, and has served as Chairman of the AB Funds since January 2014 and the Chairman of the Independent Directors Committees of such Funds since February 2014; and Mr. Weiner has experience as a securities lawyer whose practice includes registered investment companies and as director or trustee of various non-profit organizations and Chairman of a number of them, and served as Chairman of the Governance and Nominating Committee of the AB Funds from 2007 until August 2014. The disclosure herein of a director's experience, qualifications, attributes and skills does not impose on such director any duties, obligations, or liability that are greater than the duties, obligations and liability imposed on such director as a member of the Board and any committee thereof in the absence of such experience, qualifications, attributes and skills.

Board Structure and Oversight Function. The Board is responsible for oversight of the Funds. Each Fund has engaged the Adviser to manage the Fund on a day-to-day basis. The Board is responsible for overseeing the Adviser and the Funds' other service providers in the operations of each Fund in accordance with its investment objective and policies, and otherwise in accordance with the Fund's prospectus, the requirements of the 1940 Act and other applicable Federal laws, applicable state laws and the Fund's charter and bylaws. The Board meets in-person at regularly scheduled meetings eight times throughout the year. In addition, the Directors may meet in-person or by telephone at special meetings or on an informal basis at other times. The Independent Directors also regularly meet without the presence of any representatives of management. As described below, the Board has established three standing committees – the Audit Committee, the Governance and Nominating Committee and the Independent Directors Committee – and may establish ad hoc committees or working groups from time to time to assist the Board in fulfilling its oversight responsibilities. Each committee is composed exclusively of Independent Directors. The responsibilities of each committee, including its oversight responsibilities, are described further below. The Independent Directors have also engaged independent legal counsel, and may from time to time engage consultants and other advisors, to assist them in performing their oversight responsibilities.

An Independent Director serves as Chairman of the Board. The Chairman's duties include setting the agenda for each Board meeting in consultation with management, presiding at each Board meeting, meeting with management between Board meetings and facilitating communication and coordination between the Independent Directors and management. The Directors have determined that the Board's leadership by an Independent Director and its committees composed exclusively of Independent Directors is appropriate because they believe this structure sets the proper tone for the relationships between the Funds, on the one hand,

and the Adviser and other service providers, on the other, and facilitates the exercise of the Board's independent judgment in evaluating and managing such relationships. In addition, each Fund is required to have an Independent Director as Chairman pursuant to certain 2003 regulatory settlements involving the Adviser.

Risk Oversight. Each Fund is subject to a number of risks, including investment, compliance and operational risks, including cyber risks. Day-to-day risk management of the Funds resides with the Adviser or other service providers (depending on the nature of the risk), subject to supervision by the Adviser. The Board has charged the Adviser and its affiliates with (i) identifying events or circumstances, the occurrence of which could have demonstrable and material adverse effects on the Funds; (ii) to the extent appropriate, reasonable or practicable, implementing processes and controls reasonably designed to lessen the possibility that such events or circumstances will occur or to mitigate the effects of such events or circumstances if they do occur; and (iii) creating and maintaining a system designed to evaluate continuously, and to revise as appropriate, the processes and controls described in (i) and (ii) above.

Risk oversight forms part of the Board's general oversight of the Funds' investment programs and operations, and is addressed as part of various regular Board and committee activities. Each Fund's investment management and business affairs are carried out by or through the Adviser and other service providers. Each of these persons has an independent interest in ensuring effective risk management, but the policies and the methods by which one or more risk management functions are carried out may differ from the Fund's and each other's in the setting of priorities, resource availability and/or the effectiveness of relevant controls. Oversight of risk management is provided by the Board and the Audit Committee. The Directors regularly receive reports from, among others, management (including the Chief Risk Officer and the Global Heads of Investment Risk and Trading Risk of the Adviser), each Fund's Senior Officer (who is also the Fund's Independent Compliance Officer), each Fund's Chief Compliance Officer, each Fund's independent registered public accounting firm and counsel, the Adviser's Chief Compliance Officer and internal auditors for the Adviser, as appropriate, regarding risks faced by the Funds and the Adviser's risk management programs. In addition, the Directors receive regular updates on cyber security matters.

Not all risks that may affect the Funds can be identified, nor can controls be developed to eliminate or mitigate their occurrence or effects. It may not be practical or cost-effective to eliminate or mitigate certain risks. Processes and controls employed to address certain risks may be limited in their effectiveness, and some risks are simply beyond the reasonable control of the Funds or the Adviser, its affiliates or other service providers. Moreover, it is necessary for the Funds to bear certain risks (such as investment-related risks) to achieve the Funds' goals. As a result of the foregoing and other factors, the Funds' ability to manage risk is subject to substantial limitations.

During each Fund's fiscal year ended in 2014, the Board of AGHIF met eight times, and the Board of ANMIF, ACMIF and ANYMIF met nine times. The Funds do not have a policy that requires a Director to attend annual meetings of stockholders.

Board Committees. The Board has three standing committees: the Audit Committee, the Governance and Nominating Committee and the Independent Directors Committee. The members of the Committees are identified above in the table listing the Directors.

The function of the Audit Committee is to assist the Board in its oversight of each Fund's accounting and financial reporting policies and practices. The members of the Audit Committee are "independent" as required by applicable listing standards of the New York Stock Exchange. During each Fund's fiscal year ended 2014, the Audit Committee of AGHIF met two times; of ANMIF, three times; of ACMIF, three times; and of ANYMIF, three times.

The Board has adopted a charter for its Governance and Nominating Committee, a current copy of which is available at www.abglobal.com (under "Menu," click on "Americas," then "Individual Investors," then "United States (US Citizens)," then "Investments," then "Closed-End Funds," then the name of a Fund (e.g., "Alliance New York Municipal Income Fund"), then "Governance and Nominating Committee Charter"). Pursuant to the charter of the Governance and Nominating Committee, the Committee assists the Board in carrying out its responsibilities with respect to Fund governance and identifies, evaluates and selects and nominates candidates for the Board. The Committee may also set standards or qualifications for Directors and reviews at least annually the performance of each Director, taking into account factors such as attendance at meetings, adherence to Board policies, preparation for and participation at meetings, commitment and contribution to the overall work of the Board and its committees, and whether there are health or other reasons that might affect a Director's ability to perform his or her duties. The Committee may consider candidates as Directors submitted by a Fund's current Board members, officers, the Adviser, stockholders (subject to the following paragraph), and other appropriate sources.

Pursuant to the charter, the Governance and Nominating Committee will consider candidates submitted by a stockholder or group of stockholders who have beneficially owned at least 5% of a Fund's outstanding common stock for at least two years prior to the time of submission and who timely provide specified information about the candidates, and the nominating stockholder or group. To be timely for consideration by the Committee, the submission, including all required information, must be submitted in writing to the attention of the Secretary at the principal executive offices of the Funds not less than 120 days before the date of the proxy statement for the previous year's annual meeting of stockholders. The Committee will consider only one candidate submitted by such a stockholder or

group of stockholders for nomination for election at an annual meeting of stockholders. The Committee will not consider self-nominated candidates.

The Governance and Nominating Committee will consider and evaluate candidates submitted by stockholders on the basis of the same criteria as those used to consider and evaluate candidates submitted from other sources. These criteria include the candidate's relevant knowledge, experience and expertise, the candidate's ability to carry out his or her duties in the best interests of the Funds, and the candidate's ability to qualify as an Independent Director. When assessing a candidate for nomination, the Committee considers whether the individual's background, skills, and experience will complement the background, skills and experience of other nominees and will contribute to the diversity of the Board. During each Fund's fiscal year ended 2014, the Governance and Nominating Committee met three times.

The function of the Independent Directors Committee is to consider and take action on matters that the Committee or the Board believes should be addressed in executive session of the Independent Directors, such as review and approval of the Advisory and Shareholder Inquiry Agency Agreements. During each Fund's fiscal year ended in 2014, the Independent Directors Committee of each Fund met seven times. The Independent Directors meet in executive session without representation of management present at every Board meeting. In the fiscal year ended in 2014, the approval of the Advisory and Shareholder Inquiry Agreement of each Fund was considered at the November 4-6, 2014 meetings of the Independent Directors Committee.

The Board has adopted a process for stockholders to send communications to the Board. To communicate with the Board or an individual Director of a Fund, a stockholder must send a written communication to the Fund's principal office at the address listed in the Notice of Joint Annual Meeting of Stockholders accompanying this Proxy Statement, addressed to the Board or the individual Director. All stockholder communications received in accordance with this process will be forwarded to the Board or the individual Director to whom or to which the communication is addressed.

The Board unanimously recommends that the stockholders vote FOR each of the nominees for Director in Proposal One. For each Fund, approval of Proposal One requires the affirmative vote of a majority of the votes entitled to be cast.

PROXY VOTING AND STOCKHOLDER MEETING

All properly executed and timely received proxies will be voted at the Meeting in accordance with the instructions marked thereon or as otherwise provided therein. Accordingly, unless instructions to the contrary are marked on the proxies, the votes will be cast for the election of the nominees as Directors for each Fund. If no specification is made on a properly executed proxy, it will be voted for the matters specified on the Proxy Card in the manner recommended by the Board. Any stockholder may revoke that stockholder's proxy at any time prior to exercise thereof by (i) giving written notice to the Secretary of the Funds at 1345 Avenue of the Americas, New York, New York 10105, (ii) signing and delivering to the Secretary another proxy of a later date, or (iii) voting in person at the Meeting.

Properly executed proxies may be returned with instructions to abstain from voting or to withhold authority to vote (an "abstention") or may represent a broker "non-vote" (which is a proxy from a broker or nominee indicating that the broker or nominee has not received instructions from the beneficial owner or other person entitled to vote shares on a particular matter with respect to which the broker or nominee does not have discretionary power to vote). For each Fund, the election of the nominees as Director in Proposal One requires the affirmative vote of a majority of the votes entitled to be cast by the Fund's preferred stockholders (as applicable) and common stockholders voting together as a single class. Any abstention or broker non-vote will be considered present for purposes of determining the existence of a quorum but will have the effect of a vote against Proposal One. If any proposal, other than Proposal One, properly comes before the Meeting, shares represented by proxies will be voted on all such proposals in the discretion of the person or persons holding the proxies. The Funds have not received notice of, and are not otherwise aware of, any other matter to be presented at the Meeting.

For each Fund, a quorum for the Meeting will consist of the presence in person or by proxy of the holders of a majority of the total outstanding shares of common stock, and preferred stock, as applicable, of the Fund. In the event that (i) a quorum is not present at the Meeting for a Fund; or (ii) a quorum is present but sufficient votes in favor of the position recommended by the Board for Proposal One (as described in the Proxy Statement) have not been timely received, the Chairman of the Meeting may authorize, or the persons named as proxies may propose and vote for, one or more adjournments of the Meeting up to 120 days after the Record Date for that Fund, with no other notice than an announcement at the Meeting, in order to permit further solicitation of proxies. Shares represented by proxies indicating a vote contrary to the position recommended by the Board will be voted against adjournment of the Meeting.

The Meeting is scheduled as a joint meeting of the stockholders of the Funds, because the stockholders of all the Funds are to consider and vote on the election of Directors. Stockholders of each Fund will vote separately on the election of Direc-

tors for that Fund and on any other matter that may properly come before the Meeting for such Fund. An unfavorable vote by the stockholders of one Fund will not affect the vote on the election of Directors or on any other matter by the stockholders of another Fund. As described above, Preferred Stockholders will have equal voting rights with the holders of the common stock of ANMIF, ACMIF and ANYMIF, respectively, and will vote together with the holders of the common stock as a single class for purposes of Proposal One and on any proposal that may be properly presented at the Meeting applicable to their respective Funds.

Each Fund has engaged AST Fund Solutions LLC (“AST”), to assist in soliciting proxies for the Meeting. AST will receive a total fee of approximately \$1,000 for its services, to be divided equally among the Funds (\$250 per Fund).

During each Fund's most recently completed fiscal year, the Fund's Directors as a group did not engage in the purchase or sale of more than 1% of any class of securities of the Adviser or of any of its parents or subsidiaries.

Audit Committee Report

The following Audit Committee Report was adopted by the Audit Committee for each Fund.

The Audit Committee operates pursuant to a written charter, a copy of which may be found on the Adviser's website at www.abglobal.com (under "Menu," click on "Americas," then "Individual Investors," then "United States (US Citizens)," then "Investments," then "Closed-End Funds," then the name of a Fund (e.g., "Alliance New York Municipal Income Fund"), then "Closed-End Funds Audit Committee Charter"). The purposes of the Audit Committee are to (1) assist the Board in its oversight of the accounting and financial reporting policies and practices of the Fund, including (i) the quality and integrity of the Fund's financial statements and the independent audit thereof; (ii) the Fund's compliance with legal and regulatory requirements, particularly those that relate to the Fund's accounting, financial reporting, internal controls over financial reporting, and independent audits; (iii) the retention, independence, qualifications and performance of the independent registered

public accounting firm; (iv) meeting with representatives of the internal audit department of the Adviser regarding such department's activities relating to the Fund; and (v) the Fund's compliance with applicable laws by receiving reports from counsel who believe they have credible evidence of a material violation of law by the Fund or by someone owing a fiduciary or other duty to the Fund; and (2) to prepare this report. As set forth in the Audit Committee Charter, management of the Fund is responsible for the preparation, presentation and integrity of the Fund's financial statements, the Fund's accounting and financial reporting principles and policies and internal control over financial reporting and other procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for auditing the Fund's financial statements and expressing an opinion as to their conformity with U.S. generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent registered public accounting firm of the Fund. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 114, *Auditors Communication with those Charged with Governance*, and other professional standards, as currently in effect. The Audit Committee has also considered whether the provision of any non-audit services not pre-approved by the Audit Committee provided by the Fund's independent registered public accounting firm to the Adviser and to any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Fund is compatible with maintaining the independent registered public accounting firm's independence. Finally, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by Public Company Accounting Oversight Board Rule 3526, *Communication with Audit Committees Concerning Independence*, as currently in effect, and has discussed the independent registered public accounting firm's independence with such firm.

The members of the Fund's Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Audit Committee necessarily rely on the information provided to them by management and the independent registered public accounting firm. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with U.S. generally accepted accounting principles or that the Fund's independent registered public accounting firm is in fact "independent".

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Board that the audited financial statements of the Fund be included in the Fund's annual report to stockholders for the most recent fiscal year.

Approval of Independent Registered Public Accounting Firms by the Board

The Audit Committee is responsible for the appointment, compensation, retention and oversight of the work of the Funds' independent registered public accounting firm. In addition, on the dates specified below, the Board approved the selection of the Funds' independent registered public accounting firm as required by, and in accordance with, the 1940 Act. At meetings held on February 4-6, 2014 (AGHIF) and November 4-6, 2014 (ANMIF, ACMIF and ANYMIF), the Board approved by the vote, cast in person, of a majority of the Directors of each Fund, including a majority of the Directors who are not "interested persons" of each Fund, the selection of Ernst & Young LLP as the independent registered public accounting firm to audit the accounts of each Fund for the fiscal year ending, as applicable, March 31, 2015 (AGHIF) and October 31, 2015 (ANMIF, ACMIF and ANYMIF).

Ernst & Young LLP has audited the accounts of AGHIF, ANMIF, ACMIF and ANYMIF since the respective dates of the commencement of each of the Fund's operations, and has represented that it does not have any direct financial interest or any material indirect financial interest in any of the Funds. Representatives of Ernst & Young LLP are expected to attend the Meeting, to have the opportunity to make a statement and to respond to appropriate questions from the stockholders.

Independent Registered Public Accounting Firm's Fees

The following table sets forth the aggregate fees billed by the independent registered public accounting firm for each Fund's last two fiscal years for professional services rendered for: (i) the audit of the Fund's annual financial statements included in the Fund's annual report to stockholders; (ii) assurance and related services that are reasonably related to the performance of the audit of the Fund's financial statements and are not reported under (i), which include advice and

education on accounting and auditing issues, quarterly press release reviews and preferred stock maintenance testing (for those Funds that issue preferred stock); (iii) tax compliance, tax advice and tax return preparation; and (iv) aggregate non-audit services provided to the Fund, the Fund’s Adviser and entities that control, are controlled by or under common control with the Adviser that provide ongoing services to the Fund (“Service Affiliates”). No other services were provided by the independent registered public accounting firm to any Fund during this period.

Alliance New York Municipal Income Fund, Inc.	2013	\$32,500	\$8,000	\$12,967	\$0	\$344,478
	2014	\$41,514	\$8,000	\$13,467	\$0	\$432,122

* The fees vary because they are presented based on each Fund’s last two fiscal years and reflect fees for non-audit services for different periods.

Beginning with audit and non-audit service contracts entered into on or after May 6, 2003, the Funds’ Audit Committee policies and procedures require the pre-approval of all audit and non-audit services provided to a Fund by the Fund’s independent registered public accounting firm. A Fund’s Audit Committee policies and procedures also require pre-approval of all audit and non-audit services provided to the Adviser and any Service Affiliates to the extent that these services are directly related to the operations or financial reporting of the Fund. Accordingly, all of the amounts in the table for Audit Fees, Audit-Related Fees and Tax Fees for 2014 are for services pre-approved by each Fund’s Audit Committee. The amounts of the Fees for Non-Audit Services provided to the Fund, the Adviser and Service Affiliates in the table for each Fund that were subject to pre-approval by the Audit Committee for 2014 were AGHIF, \$30,062 (comprising \$8,000 of audit related fees and \$22,062 of tax fees); ANMIF, \$21,467 (comprising \$8,000 of audit related fees and \$13,467 of tax fees); ACMIF, \$21,467 (comprising \$8,000 of audit related fees and \$13,467 of tax fees); and ANYMIF, \$21,467 (comprising \$8,000 of audit related fees and \$13,467 of tax fees). The Audit Committee has considered whether the provision, to the Adviser and/or any Service Affiliate by the Funds’ independent registered public accounting firm, of any non-audit services that were not pre-approved by the Audit Committee is compatible with maintaining the independent registered public accounting firm’s independence.
