

ASSESSMENT REPORT 2018

Alliance Bernstein

INTRODUCTION

The Assessment report is designed to provide feedback to signatories to support ongoing learning and development.

A brief description of the each section of this report and how it should be interpreted is provided below. The high-level assessment methodology can be found here and a companion document explaining the assessment of each indicator can be found here

ORGANISATIONAL OVERVIEW

This section provides an overview of the main characteristics of your organisation. This determined which modules and indicators you reported on and determines your peer groups.

SUMMARY SCORECARD

This section provides an overview of your aggregate score for each module and the median score. These bands range from 'A+' (top band) to 'E' (lowest band).

ASSESSMENT BY MODULE

For each module you reported on, you will see a section that shows your:

- Year-on-year performance
- Indicator scorecard
- Section scores
- Comparison to peer groups

PUBLISHING IN THE DATA PORTAL

YEAR ON YEAR PERFORMANCE

These charts show the trend in your module band over the last three years, and also shows the trend across the average of all reporting signatories.

INDICATOR SCORECARD

Your indicator scorecard summarises the scores you achieved for each assessed indicator within each module.

These will range from zero stars to three stars. It also provides basic information about the performance of your organisation compared with other signatories that responded to that indicator. The number of stars determines your overall module score. Please refer to the assessment methodology summary for additional information about how these scores are calculated.

PEER COMPARISON

Your total aggregated performance band for each module will be compared against your peer groups in a series of distribution charts.

Assessment Reports and private Transparency Reports are confidential and only accessible to the reporting signatory on the Data Portal.

However, the Data Portal does facilitate signatories to share these reports bilaterally with other signatories.

To request access, use the "Find A Report" tab to search, and click "Request access". To check pending requests on your own reports, go to "Settings and Requests" tab. Your nominated Data Portal Contact can approve or decline requests.

It is permitted to publish your Assessment Report outside of the Data Portal, however you must take every care not to represent scores out of context, and include access to or references to: the PRI assessment methodology; your full Assessment Report (if only a section is published); and your Transparency Report.

PRI DISCLAIMER

This document is based on information reported directly by signatories. Moreover, the underlying information has not been audited by the PRI or any other party acting on its behalf. While every effort has been made to produce a fair representation of performance, no representations or warranties are made as to the accuracy of the information presented, and no responsibility or liability can be accepted for damage caused by use of or reliance on the information contained within this report.

DIRECT - LISTED EQUITY - ACTIVE OWNERSHIP

MODULE OVERVIEW

The table below provides an overview of your Listed Equity Active Ownership Band. This is based on your score for engagement and (proxy) voting.

If applicable, you will see a separate score for engagements run internally, collaboratively and through service providers. Your engagement score is based on your main engagement approach, calculated using your reported information in indicator LEA 11. Your main approach is based on the combination of the quantity and comprehensiveness of engagements and your role/involvement. The Engagement score is not dependent on how you conduct your engagements and the top score can be achieved regardless of who conducts the engagements. For more information please see the assessment methodology and detailed methodology.

The scores for each applicable engagement approach are presented in more detail in the following pages.
