A Medallion Signature Guarantee (MSG) stamp for each applicable signature is required. An MSG stamp can be obtained at a commercial bank, savings and loan, credit union, or brokerage firm. A Medallion Signature Guarantee for each applicable signature is required for third-party redemptions and/or authorization from individuals other than the AB shareholder.

A Medallion Signature Guarantee is defined as a guarantee of signature as a warranty, with respect to the signature of an endorser of a security or an originator of an instruction regarding a security that, at the time of signing, guaranteed the signature was genuine; the signer was an appropriate person to sign, or, if the signature is by an agent, the agent had actual authority to act on behalf of the appropriate person; and the signer had legal capacity to sign.
