Item #	Proposal Text	Proponent	Mgmt Rec	Vote Instruction	Vote Rationale
1	Report on Report on Coal Combustion Residual Matters at San Juan Generating Station	Shareholder	Against	Against	the company already provides a sufficient disclosure on its coal ash management and has targets in place to reach zero carbon emission by year 2040 in addition to exiting from its existing coal plants by 2022. Noting the company's current efforts and disclosures in place, no additional value is observed by supporting this shareholder proposal
